Longevity - remains online for extended period, unlike traditional media.

We have over 17,000 associated with Facebook driving traffic directly to you and your website.

Seriously, can your current static advertising offer this much return?

Here's our current columns (if there's something you'd like to see, let us know!)

Foodies : weekly

our most popular read - this is a weekly column that features a delicious seasonal recipe.

Home & Garden : weekly

each week we discuss what's happening in your garden and also some interesting interior/exterior ideas.

Pet Zone : weekly

this is a popular read - there's training tips each week and a competition/giveaway linked through Facebook.

Community Services : weekly

we feel that giving back to the community is an important aspect of who we are. Each week we feature a not-for-profit community service and highlight who they are & what they offer.

What's On :

advertising your event on this page will also give you extra exposure with a Facebook 'shout out' to our 17,000 followers. We average a reach of 63,688 per week and 363,333 per month! Wow!

AND...all advertising links through to the platform of your choice!
eg: Facebook, website, business profile.

...are you celebrating something or have a special event? Ask about our features!
